Our places are limited and a non-refundable **Registration Fee** of £30 is required to place a child on the Schools Waiting List.

Once a place is offered, acceptance is confirmed by the payment of a £300 **deposit** which is returned in full with the last term's fee.

As part of the admission process, **parents' consent** will be required for taking the child's photograph for the school folder, outings for field trips, health management and other school related activities. Outings are only within the vast grounds of the Lincolnsfield Centre.

All **Fees** are strictly payable on or before the first day of each term

One full term's written **notice** of withdrawal must be provided or the deposit will be retained.
